* I can use basic punctuation including capital letters and full stops

Think of a monster in your head and write a description about it. Make it interesting for the reader and ensure you grab the reader’s attention in the first sentence.

Most people have heard of the monster that lies under their bed. I have in fact a monster that lives under my BED!! He has a pink body covered in blue feathers. He has two yellow ears. His eyes are light green. He has a friend who lives in my closet who steals my clothes. Both of the monsters look like the ones in my closet has green acts on his body and three eyes green, blue and brown. I've got to say anything that goes in doesn't come out. Bob lives in my closet. When I ever I lose something my mum believes me but Billy steals my slippers!
